

Hi all,

We are organising a meet for Triking Owners based around Ringwood area on the West of the beautiful New Forest over the weekend of the 18/19/20th May 2012.

It will be centered on the Tyrrells Ford Country Inn & Hotel (AA 3star) This comfortable hotel is situated 4 miles South of Ringwood and has safe parking set in a pleasant rural location serving both restaurant and bar food.

The special Bed & Breakfast price for a Twin/Double room is GB£80 (2 people) or GB£60 for a Single.

The hotel needs your booking please as soon as possible before the end of February. Just contact them mentioning "Triking Owners" to reserve a room (no deposit - they trust you not to let them down!)

If you want B&B at a cheaper location I have given details of four available and also two camp sites.

Please let me know by Private Message if you are coming and your contact detail . I will be happy to offer any help or advice.

EVENT PROGRAMME

Friday 18th

We will organise a BBQ at a Forest venue 4 miles North of Ringwood

Saturday 19th

A circular tour will visit the famous Sammy Miller motorcycle museum and then move on via Lymington to the historic Bucklers Hard before returning to the Tyrrells Ford for a pub meal

Sunday 20th

If you choose to stay on Sunday we will organise an interesting tour for that day.
