

19th German Threewheeler Reunion

After the last Threewheeler Reunion in 2009, there was no host announced for the year of 2011. This is, why we decided to organise an anew meeting.

Eligible are owners of vehicles, which can be categorized as "Threewheelers". Beyond those of course also our Lomax friends with the fourth wheel!

The reunion is again organised kindly supported by the Auto&Technik Museum Sinsheim-Speyer.

Participation occurs at own one's risk. The host and the Technik Museum assume no liability for damage to persons or property or any financial damage, which occurs before, during or after the event.

By registering for the event you accept the above-named terms and conditions.

Wishing you a pleasant journey free from any accidents and breakdowns,

Thorsten
